

Room 1 Independent Study Lesson Plan and Record

The time requirement for Independent Study credit is 4 hours for Kindergarten, and $4\frac{3}{4}$ hours for First Grade. Some phonics, reading, writing and math should be done every day. Log these activities on the indicated sections to the nearest quarter hour. Social studies, science, physical education and fine arts activities may be logged in the section labeled "Elective," again to the nearest quarter hour. Unless you have made other arrangements with the teacher, please turn in this form as soon as the work is completed. Attach student work to this cover sheet. Please be sure to total your hours and sign and date this form. Thank you.
